**ATTEND THE
SUSTAINABLE
ENERGY
CONFERENCE
IN BRUSSELS**

The EU Sustainable Energy Week (EUSEW) has become a reference point for public authorities, energy agencies, private companies, NGOs and industry associations engaged in helping to meet the EU's energy and climate goals.

The week highlights the use of sustainable resources, how to ensure a clean environment, secure energy sources and reduce energy waste.

SUSTAINABLE ENERGY CONFERENCE

The EUSEW 2015 Sustainable Energy Conference will take place from **Tuesday 16 to Thursday 18 June 2015** in the prestigious Charlemagne and Committee of the Regions buildings in Brussels.

ENERGY DAYS

Energy Days are not-for-profit events that promote energy efficiency or renewable energy. Energy Day Events will be organised in Brussels and throughout Europe to share best practices. In 2015 Energy Days can be organised **during the entire month of June**.
